

Jacksonville 2002

Acquisition & Logistics Excellence Conference

24 & 25 April 2002

**University of North Florida Conference Center
12000 Alumni Drive, Jacksonville, Florida 32224**

Department of the Navy

Research, Development & Acquisition

Our Mission:

The Naval Research, Development & Acquisition Team in partnership with industry serves the Nation developing, acquiring and supporting technologically superior affordable systems for Navy, Marine, Joint, and Allied Forces. Our products allow the operating forces in support of the Unified Commanders to train, to Deter conflict and, if required, to fight and win.

Why the Conference?

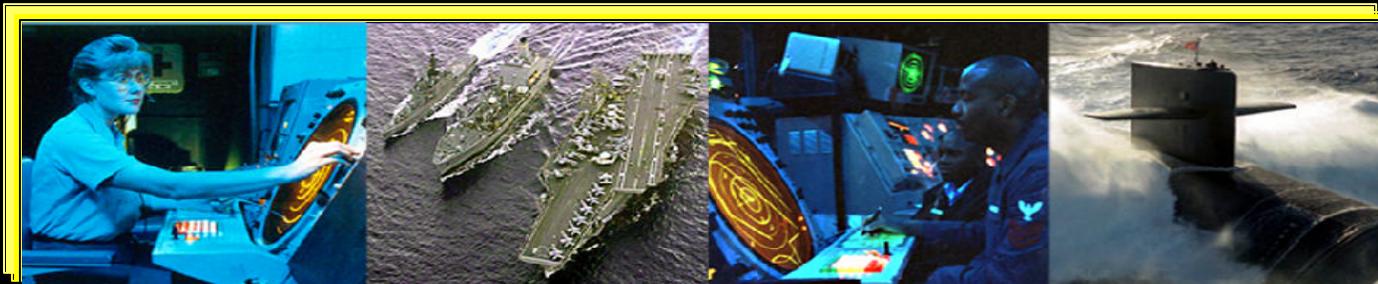

- Quality Training (**Subject Matter Experts**)
- CL Points (16 hours)
- Cost Effective Training
- Networking Opportunities
- Maximize Community Involvement
- Opportunity to discuss important reforms & progress made in:
 - Acquisition
 - Logistics
 - Other Associated Areas

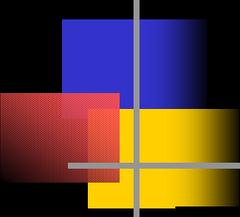

Goals of Conference

- Train & inform workforce on the latest acquisition reform related topics
- **Learn** from our successes in Acquisition & Logistics Reform
- Reflect on how to apply those lessons to continue momentum of the revolution in business affairs in order to provide better and less expensive products to the warfighter...faster than before
- Build a working relationship with local colleges & universities
- Develop an awareness in the transitioning military of DoD career opportunities

Service to the Fleet!

FY 2002

Conference Goals Overview

ACQ Workforce
